

Birthday Grams

Send a birthday gram to share a very special birthday wish!

Your child will receive **1 Happy Birthday Spirit Stick AND 1 Snifty Scented Pencil** in a specially designed plastic **“Happy Birthday” cup**. The cup will include a short personalized **special message from you**. Each Birthday Gram costs **\$5**.

This year we are offering these “add-on” items. Meaning, if you purchase a birthday gram, you may also purchase extra Happy Birthday spirit sticks, Snifty scented pencils, Mystery sticks, Spirit Monkey keyrings, as well as our new items, Broadmoor drawstring bags &/or Mystery Emoji pencils! - please see individual prices below. You will not be able to purchase these items without purchasing a birthday gram as these are “add-ons”. Please allow one week for processing.

For example, if your child is turning 7 and you want them to receive 7 Happy Birthday sticks, you would purchase the gram for \$5 plus 6 extra sticks for a total of \$11. If you’d like to “add-on” a Broadmoor bag, your new total would be \$16.
